Pursuant to Section 2.2-4319 of the Virginia Public Procurement Act, we are cancelling RFP# 02-FY2019 for Propane (Liquefied Petroleum Gas). We are cancelling this RFP because we found a more competitive price on state contract and have decided to purchase off of the state contract using cooperative procurement.

We appreciate the participation and time devoted to the procurement process by all vendors that submitted a proposal.

Sincerely,

*Crystal L. Willett*
